**Liberals and Socialists Oppose Each Other and If France Does Not Act Quickly, the Island of Guadaloupe Is Doomed.**

New York, May 9.—Cabling under Monday's date the Herald's correspondent at Point Apitre, Island of Guadaloupe, French West Indies, describes the rioting that followed the elections of Sunday as having occurred at that place. Earlier advices from Bassetre, the capital, told of the killing of M. Boisneuf, a candidate for re-election to the general council, of two socialists, and two unknown men during an attack on Boisneuf's home. He says:

"The scene is indescribable. One candidate was attacked while he was in his house surrounded by his family and friends. They defended themselves desperately. Two persons were killed and many wounded, among whom was a fireman and a police, both acting with the mob. The mayor of the city had furnished arms to the police and firemen which they used wildly. Despite the presence of marines, landed from the cruiser Troude, houses were sacked and the furniture completely destroyed.

"Stones were thrown at the marines, who stood motionless witnessing the destruction. The mayor, chief justice and other authorities were present, but made no effort to restore order. The situation can thus be defined:

"Two parties oppose each other here. The Liberals and the Socialists. The latter are controlled by the mayor, M. Legitimus, who is running on their ticket for deputy. They declare that all persons who are not Socialists must be destroyed with their property. Many who are attacked in the streets were obliged to kneel down and cry 'Viva la Sociale' or run the risk of being beaten to death. The authorities, civilian and military, are protecting the Socialists. Whole families have lost all hope, and are sending their valuables to the various consulates that are protected by troops, all consuls having demanded protection.

"Two more buildings were destroyed Monday. The stores were closed and all commerce has ceased. The provision market is bare, the country people fearing to approach the city. Rumors of greater trouble are circulating and many families have deserted the city, seeking protection in the country.

"If France does not act quickly, the island is doomed. The British cable office is protected by marines.

### A DELIGHTFUL RECEPTION.

**One of the Most Pleasant Functions of Season at Mrs. Gerald's.**

One of the pleasantest functions of the season was rendered Monday afternoon from 4:30 to 6:30 p. m. by Mrs. Barker and Mrs. Gerald at the residence of the latter on Pleasant street. The house was beautifully decorated with Easter lilies and greenery of most known varieties.

The table where punch was served was banked with pink roses and ferns which made it a thing of beauty indeed, and was presided over by Miss Scarratt and Miss Wilcox. Little Miss Elizabeth Taylor met the ladies at the door and escorted them to the dressing-room, where in turn they were taken in charge by Miss Lillian Clark and presented at the parlor door to Mrs. J. D. Stringfellow, who, in her most gracious manner, presented them to the hostesses of the occasion, Mrs. Barker, Mrs. Gerald and Mrs. Greer.

At the parlor door the ladies were again taken in charge by a wee young lady, Miss Emmalee Hudson, and escorted into the dining-room, which was indeed a scene of beauty. Easter lilies were everywhere in evidence and the table was as bountifully supplied as it was beautiful in design. In the center was a handsome silver candelabra with a number of white and silvered candles, and around it was heaped nasturtiums with a wreath of violet leaves.

Mrs. Chapin and Mrs. Tench presided over the table, being ably assisted by Mrs. Dale, Mrs. W. B. Taylor, Mrs. Sam Thomas, Mrs. Warner, Mrs. Tomkies, Mrs. Johnson and Mrs. Gross.

After all had been served with various, delicious refreshments, the many guests who were there, despite the rainy afternoon, departed with but one regret—that they were so soon to be separated from one of the delightful hostesses of the occasion who will remove in a few days to Jacksonville, her future home. We commend her to those with whom she may in her new home be socially thrown, feeling they will love her as we do, when they know her as we have known her.

A GUEST.

# S.S.S. PURELY VEGETABLE

The fact that S. S. S. is a purely vegetable preparation, containing not the slightest trace of mineral in any form, has been one of the strongest points in its favor during its forty years of existence. It is recognized everywhere not only as the best of all blood purifiers, but the one medicine that can be taken with absolute safety by the youngest child or the oldest member of the family. Next in importance to removing the cause of any disease is the condition in which the system is left after a course of medical treatment. Medicines containing mercury, potash or other strong mineral ingredients often do permanent injury by eating out the delicate lining and tissues of the stomach, producing chronic dyspepsia, unfavorably affecting the bowels and so damaging the system that even if the original cause of the disease has been removed, it is left in such a deranged and weakened condition that the health is permanently impaired. S. S. S. enjoys the distinction of being the only blood medicine on the market that does not contain a mineral property in some form. Being made entirely of roots, herbs and barks it is absolutely harmless to any part of the system, and while curing disease adds strength and health to every part of the body. S. S. S. removes all poisons, freshens and purifies the blood and gives better and more lasting results than any other blood medicine. S. S. S. is the very best treatment for Rheumatism, Catarrh, Scrofula, Sores and Ulcers, Skin Diseases, Contagious Blood Poison and all troubles due to an impure or poisoned blood supply. Besides being the King of blood purifiers S. S. S. is the best and most invigorating of all tonics.

### The Phifer & Morris Sale.

The Phifer & Morris sale, which was advertised to begin Wednesday, was a big success for the first day. Hundreds of garments of every description, from a pair of socks to a suit of clothes, were thrown from the roof of the building, with a result that there was a general scramble. There were many articles of value thrown away, and the great crowd beneath were waiting for an opportunity to take them in. Several amusing incidents occurred, among which was an effort by those waiting to secure a pair of trousers which had been thrown, and which were torn literally to pieces in the scramble for possession. This sale will continue for ten days, and, as the advertisement says, great bargains will be offered in all lines.

As the little ones enjoyed the various games the lawn presented a scene which attracted the passer-by and brought a smile to each face.

Refreshments were served on the lawn at a long, low table, around which were tiny chairs, and there is no doubt that the delicious ice cream and cake was enjoyed to the fullest extent.

## HOW JAPS KEEP STRONG

### Sun Readers Can Learn Something of Value From This.

Such a thing as a weakling is hardly known in Japan. The wonderful endurance of the Japanese soldiers and sailors in the recent war has been the marvel of all nations. Both men and women are well, happy and strong.

The reason for this, so careful investigators tell us, is that the Japanese from childhood up know how to keep well through care of the digestive system If they have trouble with indigestion, heartburn, wind on the stomach, loss of appetite, sleeplessness, headaches, rheumatic pains, backaches, or any of the other troubles caused by a weak stomach, they treat themselves with some of the principal remedies that compose Mi-o-na, a stomach remedy that has already a large sale in Gainesville at J. W. McCollum & Co's.

So uniformly successful has the remedy been in curing all stomach troubles where it is used in accordance with the simple directions given with each box, that J. W. McCollum & Co. give a signed guarantee with every 50 cent package to refund the money if Mi-o-na fails to benefit.

The Tampa Times says: "The increase in shipments of cigars from Tampa for the first four months of the year over the same period of last year is in round numbers about eighteen millions, or perhaps the equivalent of a million and a quarter dollars. At the same ratio, and there is little reason to fear it will not be maintained, the business of this year will exceed that of last year by more than twenty per cent—being the largest proportionate gain for many years and twice as great as any absolute gain for the same period of time."

Of the more than 1,000,000 immigrants who came to this country in 1905, very few reached the newer region of the West. According to the Western railroad passenger association which had made a report on the subject, over 317,000 of them dropped down in New York State, and 231,300 in Pennsylvania—about one-half the whole number stopping in those two States. Ohio obtained 51,000 and Illinois 79,000, but less than 20,000 seems to have gone beyond Illinois.

Few people, even among the beer-drinking millions of the world, know that the highest development of the brewing industry has been made in the United States. To the mind of most people anything connected with the manufacture of the amber fluid suggests the German.

President Roosevelt is to be congratulated upon his order forbidding a military escort to Father Sherman on his tour of the route of his father in his famous march to the sea. The people of the South are not in love with the name Sherman, and the presence of the son of the man of "war is hell" fame, under military escort, would tend to renew memories of the past. Let Father Sherman make the tour alone, or remain at home and look after his flock.

The mayoralty campaign in Tampa overshadows the county primary in point of interest. There are three candidates—Boyer, Cascaden and Frecker—all of whom advocate city ownership of the public utilities. Frecker is the candidate of the Municipal Ownership Association, which has a large membership who will loyally stand by him, and the election will probably be close.

As nearly as possible 8,000 gallons of fresh water are used in a large battleship daily. About two-thirds of this is taken up by the boilers, and the remainder is used for drinking, cooking, etc.

GOT HIS HAIR BACK.

Was Perfectly Bald When He Started to Use Newbro's Herpicide.

Frederick Manuell, Maryland block, Butte, Montana, bought a bottle of Newbro's Herpicide, April 6, '99, and began to use it for entire baldness. The hair follicles in his scalp were not dead and in 20 days he had hair all over his head. On July 2 he writes, "and today my hair is as thick and luxuriant as any one could wish." Newbro's Herpicide works on an old principle and with a new discovery—destroy the cause and you remove the effect. Herpicide destroys the germ that causes dandruff, falling hair, and finally baldness, so that with the cause gone the effect cannot remain. Stops falling hair at once and a new growth starts. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

### BRIDE-TO-BE NEVER CAME.

**Georgia Parson Paid $30 To Get Him a Wife.**

Washington, May 9.—Miss Lucile Patterson and her pretty niece, Miss Edna Kirk, both of Lewiston, Pa., are charged with fraudulent use of the mails.

By means of a matrimonial paper the government secret service agents say these women collected sums of money from men all over the United States who wanted wives.

In the very peaceful community of Ashburn, Ga., the Rev. J. B. Dozier, read that Mrs. Patterson was seeking a loving husband, and he forthwith wrote her.

Several letters were exchanged, the clergyman proposed and was accepted. The bride-to-be wrote asking for her car fare from Lewistown to Georgia. The pastor sent $30, but the bride was not forthcoming.

The Rev. Mr. Dozier grew nervous and when his letters remained unanswered, he appealed to the postal authorities at Washington.

Other men who had sent money and received no bride as per agreement also wanted explanations.

A large number of other victims to the tune of from $20 to $35 each, have complained to the postal authorities of Mrs. Patterson's matrimonial negotiations. Miss Kirk is alleged to be an accomplice.

**Long Strike Seems Inevitable.**

Chicago, May 9.—A long and bitter strike involving probably all of the building trade unions seems inevitable in the the building industry as a result of the attitude shown last night by the structural iron workers at their special meeting to consider the arbitration proposal of the contractors. The men voted to stand firmly for their full demands and equal determination was shown by the contractors. It developed that the American Bridge company, backed by the United States Steel corporation, has entered the fight. Employers have begun active preparations to conduct a fight against the iron molders' union, which has decreed a strike against the large foundries.

**Sciatica Cured After Twenty Years of Torture.**

For more than twenty years Mr. J. B Massey of 3322 Clinton St., Minneapolis, Minn., was tortured by sciatica. The pain and suffering which he endured during this time is beyond comprehension. Nothing gave him any permanent relief until he used Chamberlain's Pain Balm. One application of that liniment relieved the pain and made sleep and rest possible, and less than one bottle has effected a permanent cure. If troubled with sciatica or rheumatism why not try a 25 cent bottle of Pain Balm and see for yourself how quickly it relieves the pain. For sale by all druggists.

**Union Bonds Sold.**

Spartanburg, S. C., May 9.—The Security Trust company of this city, purchased the bonds issued by the city of Union, amounting to $25,000 at par value. The bonds bear interest at 4½ per cent. There were several well known bond buyers who sought to purchase, but the Spartanburg concern was successful in getting them all.

**Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.**

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

**New Weapons for Artillery.**

Savannah, Ga., May 9.—In the next two or three months the Chatham Artillery will receive from the government four new breech-loading, rear-vent, nitro-glycerine guns to replace the two modern guns which they now have. The latter will be sent to Atlanta and turned over to a battery of artillery, which has recently been organized.

**Deaths From Appendicitis**

**Quarrel Causes Two Deaths.**

Steubenville, O., May 9.—William Cox and his son in law, William Miners quarreled over the possession of two cats. As Carney was leaving the yard, Cox seized a gun and shot him dead. He then turned the weapon on himself, dying almost instantly.

**Sore Nipples.**

A cure may be effected by applying Chamberlain's Salve as soon as the child is done nursing. Wipe it off with a soft cloth before allowing the child to nurse. Many trained nurses use this salve with the best results. Price 25 cents per box. Sold by all druggists.

### For State's Attorney.

To the Democratic Voters of the Eighth Judicial Circuit of Florida:

Believing that my thirteen years' practice of law, together with my experience as a prosecuting attorney, fully fit me to discharge the duties of State Attorney, I, therefore, at the request of many friends, announce myself a candidate for nomination in the Democratic primary for State Attorney for the Eighth Judicial Circuit of Florida. If nominated, I pledge myself to courteously, economically and faithfully discharge the duties of the office and to help maintain the dignity and honor of the court. Respectfully,

JOS. M. RIVERS.

To the Democratic Voters of the Eighth Judicial Circuit of the State of Florida:

Having served you in the capacity of State Attorney since July, A. D. 1903, and trusting that you have approved of the manner in which I have represented the State and discharged my duties, I solicit your votes at the coming primary for the position of State Attorney for the Eighth Judicial Circuit.

Very respectfully,

Palatka, Fla. BENJ. P. CALHOUN.

I respectfully announce that I am a candidate for the office of State's Attorney for the Eighth Judicial Circuit of Florida, composed of the counties of Alachua, Baker, Bradford, Levy and Putnam. I conceive the faithful and energetic discharge of the duties of the office to be a sacred obligation to the State, and, if the voters of the circuit favor me with the nomination, I pledge them that the interests of the State and of society shall not suffer through favor or negligence of mine.

### For State Senator.

To the Democratic Voters of Alachua County:

I have, on various occasions, been earnestly requested to enter the race for State Senator from this county, and, until now, have declined to do so, because I had no desire to oppose the Honorable H. H. McCreary, who has rendered such valuable service to our county in the State Senate. But since he has withdrawn from the race I will be a candidate, subject to the Democratic primary.

Having served in both branches of the Legislature in the past, I feel that I am the better qualified to serve the best interests of our county at this important time.

Earnestly soliciting your support at the coming primary, I am your humble servant.

JOHN B. DELL.

In reference to my declination, which appeared in The Daily Sun of Mch. 20th, the same was made in what I conceived the interest of harmony. However, I have reconsidered same and am a candidate for the State Senate.

H. H. McCREARY.

I respectfully announce my candidacy for the Democratic nomination as Senator for Alachua county (33d district), pledging my support of all measures in the interest of the masses as against the classes; and especially do I pledge my support and influence in aid of the common schools and maintenance of the State University upon a liberal basis such as will enable parents to obtain for their children a thorough education in their own State, as well as all measures tending to promote the religious and moral welfare of the entire people. Thanking my friends for their support in the past, and soliciting the vote of all Democrats at the coming primary, I am very respectfully.
